27/9/2024 MOONEE VALLEY

Race 2 – 6:45PM DRUMMOND GOLF HANDICAP BM84 (1200 METRES)

Love this meeting every year and this year's card looks fantastic. Rail out 3m the entire circuit with a Good track predicted, potentially firming up as the meeting progresses.

Very excited for the return of #10 WAR MACHINE. We have a lot of time for this horse and his most recent jump out Flemington on 13/9 was about as good as they get. He jumped well and stalked the leader before peeling off it's back and going straight on by. Love the way he lowered and accelerated when he was slipped a bit of rein, and he moved extremely well. Based off that piece of work, he has come on in leaps and bounds since we last saw him and we think he will be competing in much better races than this as the spring progresses. He won the Bendigo Guineas at his last run before he went out for a spell, so we know he has a bit of class and expecting him to be extremely hard to beat in this.

He has drawn wide, and the map looks a little sticky with speed drawn inside, but B Shinn takes the ride and there aren't too many riding better than him at the moment, so backing him to get this horse in to a winning position.

SELECTION:

#10 WAR MACHINE (WIN).
