

# THE TRIAL FILES

**08/02/2025 RANDWICK**

Rail in the True position and track should play fairly. Wind not a major factor.

## **Race 7 - 4:00PM INGLIS MILLENNIUM (1100 METRES)**

Full preview for the Inglis Millennium thanks to Betfair can be found [HERE](#)

## **Race 8 - 4:35PM ASAHI SUPER DRY ESKIMO PRINCE STAKES (1200 METRES)**

MAYFAIR looks the leader of the Group 3 Eskimo Prince. Great race for the 3YO's.

Putting our faith in #2 GATSBY'S again here. Waller, JMac, and a very talented horse. Thought he was a little disappointing in his last campaign but it was in the A Grade races and it is only because we had such a big opinion of the horse. It is still the right form for a race like this and he trialed up superbly again as we know he can do. He will find a nice spot for McDonald and looks the horse to beat.

#1 LINEBACKER is a key horse of interest, returning as a gelding. He has huge wraps on him and he is clearly a smart horse. His recent trial was good, putting a big gap on third but he was urged along by McEvoy. He is a winning chance and the market might be a good guide.

### **SELECTION:**

#2 **GATSBY'S** (Win) – Could save #1 LINEBACKER

## Race 9 - 5:15PM FUJITSU AIRSTAGE HANDICAP (1600 METRES)

ABERLOUR to lead from HIGHLIGHTS is what looks an average tempo.

Seven horses first-up over the mile here and we are happy to be with #12 BIRDMAN who looks a fantastic each way bet. He is a lightly raced international who looks to have settled in well at his second Australian campaign. Loved his two trials leading in and this looks a nice race for him first-up. McEvoy rode him in his first trial and he looks the right man for the job with the 53kg. This horse could have a class edge over his rivals and no surprise if he is too good.

#14 HEADLEY GRANGE is a horse that is racing in fantastic form and up and going. Good career record but this is by far his biggest test to date.

Special mention to #1 ASTERIX who has been off the scene for some time now. Loved his trials leading in and he can run a good race fresh as the rank outsider in the race. Winner over a mile in the past but he may want further and they may not be trying today with an eye to the future. Think he is in for a good campaign.
