Race 2 – 2:00PM BET365 3YO MAIDEN PLATE (1300 METRES)

#1 CALL UP KING was fast out at his most recent trial with blinkers on and suggest he presses forward with #3 GURU TWO handy. #7 SEINDEEL can settle closer from gate 2 with race day experience under his belt and suspect #16 COASTAL SWEEP looks to lead from 3 as well.

We've liked the jump outs of #8 BELLE DETELLE this prep. The breeding suggests that we shouldn't have seen much in the 800m heats, but she has shown plenty. Especially like the last two efforts where she was cleanly away and moved very well. She has a very stylish action and looks as if the 1300m on debut will suit her ideally. From gate 5 suspect she settles midfield or better and at \$9 currently she looks a good each way bet. Like her as a horse.

#7 SEINDELL jumped out well prior to a good run on Debut at Moe. He got a long way back and travelled wide throughout there, but he hit the line strongly and the step up to 1300m and the low draw are big positives. With natural improvement at his 2nd start he looks the danger.

#2 GORMO'S LUCK ran well at Geelong over 1400m last start. Suspect he gets back from 8 and the drop back in trip look against. Happy to risk. #3 GURU TWO was good late 1st up over 1200m at Wodonga in a bit of a messy race. Manners should improve 2nd up and at his 2nd go in the blinkers. Must have some hope here.

SELECTION:

#8 BELLE DETELLE (each way)
