

THE TRIAL FILES

28/5/2025 SALE

RACE 5 – 2:20PM RANFORD'S FAMILY BUTCHER BM64 (1400M)

Soft 5 conditions for racing at Sale with the rail out 7m. It will be wise to monitor the first few races to identify any potential pattern, but we are setting up for a fair surface at this stage.

#6 TOURNELLE presents here first up at her second Australian preparation after being imported from the UK in early 2024. She stepped out at this track and trip on her Australian debut in January and was disappointing and immediately went for a spell. She has come back this time and the two trials have been excellent. She settled midfield at her first trial on 28/4 over 800m and ran home in nice fashion, with her work very solid through the line. She then went to the 1000m on 12/5 and won very impressively, showing a sharp turn of foot and moving in great style. Looks to get a great run from barrier 4 and her trials this time around have been significantly better than her trials before her first Australian run.

#1 VARANE looks the danger. Comes into this third up after being 5 weeks between runs and back in trip second up. Back up to 1400m suits and he has the fitness edge on Tournelle. Will get an economical run from gate 2 and looks clearly the hardest to beat.

SELECTIONS:

#6 TOURNELLE (win).
