15/3/2025 MORPHETTVILLE PARKS

RACE 5 – 3:17PM ADELAIDE GALVANISING INDUSTRIES 3YO BM66 (1000M)

Very hot day in Adelaide with the rail out 9m and hot northerly winds. You want to be on speed here as a rule, but you definitely want to be on speed today. As expected in a 1000m race, there is plenty of speed engaged. #2 SIR NOW, #6 GOLD SPIRIT and #8 ISLA'S FURY will all want the front.

Hoping #8 ISLA'S FURY can hold the front from the inside draw with 52.5kg and if she can, we think she has a good each way chance. We liked the trials before her debut run where she SP'd \$3.70 and was a little new to it all, running 4th in a decent maiden. She has returned this prep with a very good trial at Morphettville on 4/3. She led easily there and Pure Acqua was given a proper rev up to get past her, but once passed she showed a good bit of grit to come again on the line. Thought she looked to have improved and in the 8-horse field, we are happy to be with her at \$10 and hope she can find the front. Tough ask to win a BM66 as a Maiden, but we are getting the price to offset that challenge.

#2 SIR NOW was good in his debut prep, with two wins and two placings from 4 starts. Very speedy horse and will be in the right spot to win this off some nice sharp jump outs. All runs in the debut run were of Soft or Heavy tracks and he strikes a very firm deck here, so there is a slight query wet-to-dry.

#1 PURE ACQUA is the class in the race, having run well in Listed company at the back end of last prep. The trial was good and if they overdo it in front, he is the swooper off the nice trial vs Isla's Fury. First few races will tell us how much of a danger he is with the pattern evident by this race. #6 GOLD SPIRIT is fast and gets the blinkers first time, but the map looks horrible from 8 with speed inside.

SELECTION:

#8 ISLA'S FURY (each way)
