16/03/2024 ROSEHILL

Race 4 - 2:15PM TAB PAGO PAGO STAKES (1200 METRES)

Soft track but monitor throughout the day. Back at Rosehill for 3 weeks of racing after consecutive Randwick meetings.

With #7 GATSBY'S and we're confident he's a star 2YO. We were strongly with him on debut "#4 GATSBY'S from #7 ROSELYN'S STAR" and that's exactly how it panned out, both off superb trials. That debut win by GATSBY'S rated through the roof, settling on a hot speed and kicking away, putting big margins on the field. Roselyn's Star whalloped his rivals Wednesday to frank the form. Drawn barrier 3, McDonald stays on and very hard to beat. Absolutely no reason to think he can't do it again.

#1 COLEMAN was plain in the Blue Diamond but bizarrely came into the race with the Tongue Tie first-time after a win and starting a short favourite in the BD. The money was strong for Coleman in that feature and we know he's a smart horse. Tongue Tie straight off today which is no surprise. A soft track is a query for the bid son of Pierata.

SELECTION:

#7 GATSBY'S WIN
