10/06/2024 TAREE

Race 1 - 12:05PM SEBRING SUN AT GLENTHORNE PARK 2YO HANDICAP (1262 METRES)

On a wet Taree on a Sunday and not usually a go to area looking for bets but we think we've found a horse suited on debut in this 2YO Maiden over 1262m. Four debutants make up this field of 9 after the early scratching. The horse that has come out looked the pick of the raced brigade so that is positive but we hope the field stays in shape as we don't want to lose any value.

Have liked what we've seen from #7 ÉCLAIR ENCORE leading into her debut. She's had two trials, coming from back in a small field to win her first before having a solid hit-out and sticking on nicely for second, putting a gap on third in her latest at Gosford. The filly is by Maurice who is a well known wet track sire and she clearly sprinted well on the Heavy 8 in her first trial. In what is a very winnable race, #7 ÉCLAIR ENCORE looks a bet at around even money and we're happy to be on.

SELECTION:

#7 ÉCLAIR ENCORE (win)
