

THE TRIAL FILES

23/2/2024 BORDERTOWN

Race 1 – 1:30PM CAESAR CONSTRUCTIONS MAIDEN (1100M)

Rail in the true and racing on a Good 4 surface here and the general pattern favours those up and in. Pace from SCUDETTO, HEBRINGS CASH, AWEN, EL PASO CITIE and LADY LEANA.

Have had LADY LEANA in the black book for quite a while now and happy to see her get back to the races. She trialled twice in November of last year and we were quite keen to be with her when she showed up at the races but subsequently went out for a spell. She returned with a nice trial on 8/2 at Morphettville and showed us again that she is a horse worth following. Like the way she moved there in finishing 2nd and think she sets up to get a great run just behind the speed here from barrier 5. This looks a very suitable race to tackle first up and her two runs to date in her career are the strongest form lines leading into this.

EL PASO CITIE was tough on debut, fighting on to finish 2nd after sitting 3 wide without cover outside the leaders. The trial prior was nice and from barrier 2 she should get the right run in this event, looks the main danger. SCUDETTO was good enough 1st up at Oakbank but don't think there was much depth to that race. From barrier 4 he will roll forward and get every chance to win. HEBRINGS CASH was plain on debut and maps a little sticky from 8 but must respect the stable and the fact there has been some early money.

SELECTION:

#12 LADY LEANA (win).
