Race 4 - 2:25PM LEES RACING SUPER MAIDEN HANDICAP (1400 METRES)

Maiden over 1400m. 14 acceptances with two debutants but four have come out. MARACAIBO SUN and MYSTERIO have speed but it may be the debutant and our blackbooker in #3 LONGINUS who could take up the running.

Loved what we saw from #3 LONGINUS in his most recent trial, showing speed and kicking very strongly. He put big margins on the field in a blink of the and was very strong through the line. The son of Pride of Dubai moved very well and looks the horse to beat here from a perfect draw. Again, like last week, the two horses close to our selection in the market who we didn't really like have come out and we've ended up with deductions or a shorter price that hoped. That said, it does add confidence that #3 LONGINUS will be winning here.

#1 MARACAIBO SUN may be the danger now. Maher has scratched his other runner and is left with this son of Maurice who is third up rising to 1400m.

SELECTION:

#3 LONGINUS (WIN)
