

THE TRIAL FILES

18/12/2024 WARWICK FARM

Race 1 – 2:20PM PINATUBO FIRST YEARLINGS 2YO HANDICAP (1000 METRES)

Field of 7 with all runners on debut. Soft 5, rail out 3m.

We thought #7 TEMPTED was the clear pick of this bunch from the trials. Settled toward the rear at her first trial on 26/11 over the 740m and we really liked the way she extended and ran through the line. Was away well at her 2nd trial on 10/12 and settled just behind the speed and worked to the line nicely under no riding. She looks a very nice mover and from 2 Lloyd should be able to stalk the speed and give the filly every chance to make a winning debut.

Next best is the Waterhouse/Bott #5 SATIN'S LEGACY. Typical trials from this yard. Jumped, led, won it's first and showed some tenacity but thought the 2nd trial was only fair, and we were surprised to see her favourite. Scared stiff of the money this morning for her however and she looks the clear danger.

SELECTION:

#7 TEMPTED (win)
