

THE TRIAL FILES

24/08/2024 RANDWICK

Race 6 - 2:40PM DARLEY SILVER SHADOW STAKES (1200 METRES)

3YO Fillies step out for the Group 2 Silver Shadow.

HALLETT and CHATEAU MIRAVAL the two leaders, typically from the Waterhouse Bott yard.

#1 MANAAL trialled very well. She won that heat superbly at Warwick Farm and is a proven talented filly. 5th in a Golden Slipper with Collett riding and he stays on board today. She has to be considered a major player.

We're having something on #4 AMEENA however, at the better price. Better value than MANAAL and could well be a better horse. Loved her career to date and she was unlucky not to be closer in a Percy Sykes when we last saw her. Slowly out, back to the inferior lanes along the inside but kept coming to not be beaten far. Loved her recent trial at Randwick, poking through and finishing strongly. McDonald jumps off Zeitung and rides her here which is a positive lead. Happy to have her on top.

#2 ERNO'S CUBE trialled nicely herself behind Mumbai Muse and Encap. Wide draw but hard to knock and won't be talking you out of her if very keen.

Against #9 ZEITUNG here. Concede she has the fitness edge but she had every possible chance last start, fence in run behind Bonita Queen who was tiring late. Peeled off at the right time and had the absolutely perfect run there. Yes Bonita Queen won well Wednesday but ZEITUNG loses McDonald here, goes from an inside barrier to outside and is rising from a F&M BM64 up to meet some very nice horses in this.

SELECTION:

#4 AMEENA (WIN)

THE TRIAL FILES

24/08/2024 THE VALLEY

Race 8 - 5:15PM Paramount Liquor Carlyon Stakes (1000 METRES)

Rail out 5m at Moonee Valley and we're in dangerous territory of this being a strong leaders track. Come Race 8 we'll know how the track is playing.

Speed on speed which is no surprise for a race like this at Moonee Valley over 1000m. Thinking #9 BOLD BASTILLE can cross as she is one of the quicker horses in the state. If she does, and finds the front she would be an even money chance. Happy to take that risk with her from barrier 6 and with only 50.5kg she looks the horse to beat. She's won 4 of 5 and looked very impressive in all of those. Nice jump out leading in at Flemington, winning that 800m hit out in nice fashion. Kah jumps on.
