Heat 2 – 900m (57.40)

POISON CHALICE – Still a maiden after two starts, the Paul Preusker-trained 3YO has followed up his impressive jumpout at Donald recently as he found the line in 3rd here when not asked to be picked up by the speedy pair finishing ahead of him. On the strength of his jumpouts, a maiden victory appears a formality this time in after being aimed up at the Bill Stutt Stakes before going to the paddock. Stable enjoying a good run.
