

THE TRIAL FILES

17/04/2025 WYONG

1 from 3 yesterday but looking to better the strike rate today at Wyong.

Race 3 - 1:55PM DAHLSSENS MAIDEN HANDICAP (1000 METRES)

Maiden over 1000m. With the 4YO's scratched, we are faced with six 3YO's against the one 2YO.

We are with the 2YO here, #4 TIBERIUS, on the back of two impressive barrier trials. Loved what this Bjorn Baker trained gelding did in his latest trial, running second to Beadman who ran a great race in a strong Maiden at Kembla on Tuesday. TIBERIUS went better than Beadman in our opinion and faces a much weaker race on debut today despite taking on the older horses. Collett stays with him and happy to suggest he can win on debut.

#1 CHIBA and #2 APOLLO RIDGE met in a 1050m trial at Randwick leading in. Liked the way CHIBA went in that, making ground and finding the line strongly.

SELECTION:

#4 TIBERIUS (WIN) \$2
