RACE 6 – 2:30PM MOE CUP SAVE THE DATE BM58 HANDICAP (1200M)

A big field engaged here for a BM58 on a wet track and these generally aren't the greatest races to bet in to, but we want to be with one each way at a good price in this.

#1 RED ON RED is a well exposed galloper returning here from an 11-week break. His trial at this track on 14/5 over the 1000m was fantastic. He jumped to the front, led them up and extended beautifully to win well. He clearly reserves his best for this track with a record of 11:4-2-1 around the circuit and the wetter the better for him too. He's currently a \$21 chance and from barrier 3 he looks to get the right set up to run a big race at the big quote if he runs up to the trial.

#2 ELECTRIC TOMMY has trialled well leading into this as he tends to do. He was plain at his last run before a break but suggest he is good enough to win a race of this of this class. #4 FRIDGE MONSTER is the other obvious winning chance. The form through his last run is much stronger than this and he just needs even luck from the wide gate to be a strong winning chance.

SELECTIONS:

#1 RED ON RED (each way).
