26/12/2024 RANDWICK

Hope everyone had a wonderful Christmas and happy Boxing Day!

Race 1 - 1:35PM OLE KIRK @ VINERY STUD HANDICAP (1400 METRES)

Love the trials this time in from #1 BLUE VEIN. Quiet trial 11/11 before settling back and closing stronger under a ride 26/11 to win well. Similar again at its 3rd trial where it closed strongly to win and liked the way it moved. Ran 2nd to Fearless on debut at Newcastle back in March which reads very well for this and he was good chasing on the occasion. 1400m first up suits and think he looks a good bet.

#7 ENDURE is the short priced favourite and clear danger. Closed very well on debut over 1300m at Newcastle 1/12 and the extra 100m is in her favour. Draws 3 and will settle closer here. Obvious horse to beat.

Liked the debut run of #8 CERTAIN FUTURE. The extra 200m also suits her and she will be in the right spot in running from 2. Next best.

SELECTION:

#1 BLUE VEIN (WIN)
